

homework

before you go

HOLLY & Co.
MACK-WARD
@WEKNOWPHILLY REALTORS

Preparing ahead means you really can *move on* when you move away

- ✓ Replace batteries in all smoke/CO detectors and leave extras behind
- ✓ Give us the contact info for a friend, neighbor, family member or property manager who will be keeping an eye on your home for you so we can reach them in case of an emergency
- ✓ Schedule a once-a-month professional cleaning
- ✓ Leave utilities on until settlement
- ✓ Stop/forward your mail
- ✓ Order a circular-free property sticker to limit menus, fliers, etc.
- ✓ Alert your home security company, if applicable
- ✓ Make sure all the locks work and there is a full set of keys
